Youth Band Schedules Rehearsals

An intensive music training program for students of all ages has been outlined by the Torrance Recreation Department and the Torrance Area Youth Band.

James Van Dyck will handle weekly rehearsals at the Torrance Civic Auditorium for the Cadet Band, for students of junior high school age, and the Concert Band, designed for students of high school and college age. The Cadet Band rehearses on Thursday nites and the Concert Band on Monday nites.

Man Added
The Torrance Recreation Department has added Jim Davidson to its special services staff to set up instrumental music classes in the Torrance Parks, Davidson, instrumental music teacher in the Torrance schools, had had over five years of experience in providing summer music activities. He is setting up a program for students of the Torrance Ele-

mentary Schools beginning with the fourth grade, designed to be enjoyable, educational and practical.

Children who participate in this activity will give a concert in the Torrance Park Band Shell on Sunday afternoon, Aug. 11. In addition, there will be opportunities for smaller groups to perform throughout the summer at Family Night Programs and for special events.

A schedule showing when rehearsals will be held in the various areas is in the making and will be made public in a few days. Interested persons are asked to watch announcements in the Herald for exact schedules or they may contact the Torrance Recreation Department.

Indian Talks Start Monday

"Indians of the Southwest" will be the theme of a film-lecture series at Redondo Union High School, Diamond and Pacific Coast Hwy., starting Monday, sponsored by the South Bay Adult School.

Harold C. Ambrosch, lecturer and producer of educational films, will conduct the series slated on successive Monday evenings — July 1, 8, 15, and 22 — at 7:45 p.m.

Topics for the programs will be "Life of the Early Cliff Dwellers," "Indian Arts and Crafts," "Customs and Ceremonial Dances," and "The Future of the Reservation Indian."
